Subject: water rates

Dear Commissioners,

We, in Tubac, live in a very small community which is in the poorest county in Arizona. (Santa Cruz). It would be fairer, in our estimation, to consolidate the cost of water over a much larger customer base. The other water districts pay much lower rates than we do in Tubac. We urge the commissioners to support the water rates being made uniform for all the companies water districts.

Thank you.

John and Maureen King
Tubac, Arizona
